

WORSHIP ANEW ENGAGES AND
EQUIPS AGING ADULTS WITH
RESOURCES TO LIVE A FULL AND
ABUNDANT LIFE IN JESUS CHRIST.

How does our ministry support *Aging Adults?*

Our Worship Program

Worship Anew provides a weekly traditional service that is available all over the country on television stations, as well as online (through our website, TV app, and YouTube) and via DVD subscription, allowing viewers to watch their favorite sermons again. Our regular rotation of Lutheran pastors allows viewers to hear a message centered on God's Word and personalized for their stage of life.

Care Ministry

Our Care Ministry puts love into action. Our care package program provides an opportunity to do something for aging adults who are hurting, as well as those who are caring for them. By providing physical and spiritual resources, these care packages remind them they are loved and not suffering alone.

Hope-Full Living Devotion

Hope-Full Living is a daily devotion written for seniors, by seniors. The devotion is released quarterly. Every devotional is large print and comes with the dimensions of 8.25 by 5.25 inches. You can also read or listen to the daily devotions on our app or online.

More ministry opportunities include:
