

# Care Package Program

## Share God's love in tangible way

### Who are the care packages for?

The care packages are designed to share the love of Christ with aging adults who are hurting and/or their caregivers.

### Can I personalize my care package?

Yes. Each care package includes a card with your personal message to the recipient. There is a place on the order form to share the difficulty that the aging adult or caregiver is experiencing. This helps us to include items that apply God's Word of love to their need.

### How much does it cost to send a care package?

We want everyone to be able to share the love of Christ with those who are hurting. When you place your order, you will be given the opportunity to give an optional donation to help cover the cost of your care package. Your generous donations make it possible for us to continue this ministry!

*"Both the biblical quote on the mug and the palm cross remind me who is caring for me both on earth and in eternity. The palm cross is in my purse and goes everywhere with me.*

*Thank you so much for all this comfort."*
